

# What's Currently Happening In Israel?

Israel is under attack. Many civilian and military lives have been lost in horrendous circumstances and many innocents have been kidnapped to become human shields. The criticism of Israel's military and intelligence failures mounts. For the moment, the military and humanitarian emergency has taken primacy. But Israel is still in a political, constitutional and moral crisis, with long widespread division over the future of the nation. This is a very special Zoom conversation with three experts on the current situation in Israel, and from an interfaith/Jewish Christian perspective.

Former Melbournian **Ittay Flescher**, Jerusalem correspondent for Plus 61J Media, will give a run-down of events since the last Israeli election, that have led to the crisis now facing Israel.

**Dr Deborah Weissman**, a long-time Jerusalem resident and interfaith champion, is also a former Chair of the International Council of Christians and Jews and frequent commentator.

**Rev Dr Michael Trainor AM**, is executive board member of the International Council of Christians and Jews and is the immediate past chair of the Australian Council of Christians and Jews.

They will be in conversation with **Dr Ron Hoenig**, Chair of the Australian Council of Christians and Jews.

**Thursday 19 October, 7:30pm (DST ~ Eastern) on Zoom**
